Welcome to Legacy Barber College

Hello parents and students of 2020-2021 School Year

You are about to begin an exciting adventure in the barber school that will help you achieve your greatest expectations. We are excited to be a part of the road map for your personal journey to success. Legacy's Barber College will take you on a path that will provide you the skills and personal confidence to realize your dream of becoming a successful professional in the barbering field.

In the versatile "World" of barbering, the opportunities are endless. As a licensed barber, you have a diversity of job choices within the industry and within related areas of barbering. You may choose to enter in exciting competitions that will be great for building your portfolio. The related fields offer various exciting and challenging career paths which include platform artistry, manufacturers sales consultant of educator, salon manager, owner, school instructor, school director, school owner or state board representative.

Our Mission

The mission of Legacy Barber College is to provide an education from instructors who are working in the barber / cosmetology field. We provide classroom theory and practical training so you can be prepared to enter the field of barbering. It is the mission of Legacy Barber College to ensure that each student is given the individual help needed to successfully complete the program. Once you have completed the program you will have developed creative skills that will take you on a journey to a professional career. Legacy Barber College is educating you on how to be your own boss and start your own legacy. !!!!

Thanks for joining us!!!
